

INDIAN SCHOOL NIZWA CIRCULAR TO PARENTS

Ref: ISN/e-CIR/2022 – '23/17.00

Date: 5 December 2022

Dear parents,

With regard to the HSE (Health and Safety Environment) at ISN, it is important for the school to maintain a record of the health details of all the students (LKG-XII). The major focus is to understand the BMI (body mass index) of the students.

Considering this aspect, a Google form has been created which is to be filled in, to provide the BMI data of your ward/s. Please click on the link given below and submit the details by **Thursday, 8 December 2022**.
