

## ENGLISH GRAMMAR - PAST PERFECT TENSE

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Class: VII Sec: \_\_\_\_

### PAST PERFECT TENSE:

To form a sentence in the Past Perfect Tense, start with the subject followed by the auxiliary verb 'to have' conjugated in the past simple. Then, use the past participle form of the main verb. Here is an example: He **had jumped** into the water before she told him how cold it was.

### Past Perfect Tense Rules

Means An action happened / started before the past

**Eg :** The Guests had started eating before the couple came

In this example, 'The Guests had started eating'. This is Past Perfect and also means an action happened / started before the past.

In this Example -The couple came, This is Past Indefinite

Structure of Past Perfect Tense -----

Sub + Had + V3rd + Object

**Subject** = Means Who or what perform the action

**Verb** = A word which is used to indicate the act is called verb

**Object** = Object is noun or pronoun and tell the meaning of preposition
